

**IASCYS INTERNAL RULES according to the French by-law for 1901 Associations
as registered by the IASCYS EC on 14 July 2016**

Article 5 – IASCYS Management

5.1. IASCYS is managed by an EC of 5 elected Academicians. The EC is elected by the IASCYS GA.

5.2. The President of the IASCYS EC shall be the chief spokesman for IASCYS. She/he shall preside over all IASCYS GA and EC Meetings. She/he shall be responsible for the monitoring of members' needs and coordination of the efforts of IASCYS academicians and officers.

5.3. **Up to 3 Vice Presidents can be elected by the IASCYS GA to assist the President in the coordination of the IASCYS activities in specific areas agreed upon by the IASCYS EC.** Honorary Personalities of the IASCYS (like for example Honorary President of the IASCYS) are true full members of the EC, **on the proposal of the EC.**

IASCYS INTERNAL RULES ADDENDA on 20 November 2018

ADDENDUM 1.2. ABOUT THE IASCYS GOVERNANCE.

Addendum 1.2.a. About **the Executive Committee. -named in brief EC-**

addendum 1.2.a.1 About **the Executive Committee membership.**

addendum 1.2.a.2 About **the balance within the Executive Committee: diversity.**

Addendum 1.2.b. About a **Perpetual Advisory Committee. -now named in brief HEC-**

We can in agreement with the items of the Statutes have a Perpetual Advisory Committee (PAC). **Formally we already have a Perpetual Advisory Committee** but with only 1 member, Robert Trappl, as Honorary President. Robert Trappl was appointed once, and 'ad vitam eternam', his membership is not submitted to re-election. But **he has no vote for the EC decision, he is outside of the 5, he is an adviser of the EC.** He is informed of all the EC discussions and decisions but **without voting for this decisions.**

**First IASCYS statutes by law passed at the IFSR Board session in April 2010,
as drafted by the IFSR Executive Committee on 18 July 2009**

13. Criteria for honorary membership of IASCYS include:

13.1 Establishment and/or **more than 20 years of office in an IFSR member association and/or IFSR.**

13.2 Authorship of **unique contributions such as The International Encyclopaedia of Systems and Cybernetics, establishment and/or running a S&C related journal for 10 years at least.**
